Program Description:

Healthy Birth Strategic Focus Area includes pregnant and post-partum women and their newborns/infants up to one year of age. Not to exclude women of child bearing age and factors contributing to racial disparity within the Maternal and Child Health System of Care.

Population served:

Strategic focus is Pregnant Women and children 0-8 years of age; however, funding through match and Technical Assistance allows us to color well outside of these lines.

CBHC does not provide direct services but accrues a % of property tax millage to fund and support agencies and services that do.

Eligibility for services, if required: CBHC does not provide direct services but accrues a % of property tax millage to fund and support agencies and services that do.

Any other information you would like to have included in the resource guide: Links to funded agencies and services are on our webpage
