Population Served: Residents of Hillsborough County

Description of Services:

In addition to administering Hillsborough Healthcare, a comprehensive health care program for low-income residents, HSS operates five service centers that offer many services supported by federal, state, and local funds. These include health care, emergency financial assistance, job placement, transportation, housing, childcare, and tuition assistance. In addition, Veterans Affairs officers, located at these centers, provide advocacy services for veterans, their dependents, and survivors.

Eligibility:

While HSS services are designed for low income residents of the county, the specific criteria vary depending on the funding source.
